Housing Construction Specification Checklist

Instructions:

- 1. Please fill out the attached excel spreadsheet and return it electronically via email with your RFP response to lara@cityofhouston.net. Please make sure that all questions are answered in the excel file.
- 2. A sample of a completed form is attached. Please note that this sample is only reprehensive of a proper response to the checklist, and is in no way intended to convey minimum or maximum standards under the program.
- 3. LARA will use your responses to assist in selection of successful bidders. Additionally, LARA will use this checklist during construction to ensure that proposed houses are constructed according to the bidders proposed specifications.
- 4. Questions can be directed to Stephen.tinnermon@cityofhouston.net, or to brooks.howell@cityofhouston.net.
